What is
Tiyakap Kalilintad
(*Care for Peace*)

“TIYAKAP KALILINTAD” (TK or TIYAKAP), a Local vernacular for **“CARE FOR PEACE”** is a non-stock, non-profit and right-based organization composed of civilian local peacekeeping monitors especially organized to help sustain the cessation of hostilities and strengthen grassroots peacebuilding in the conflict-prone areas. Furthermore, it aims to at least reduce if not totally eliminated Human Right Violations (HRVs) during armed-conflicts by popularizing International laws on Civilian Protection.

How do we operate during the Pandemic onslaught

1. Radio Program featuring:
 - Updates on COVID 19
 - Advocacy on Health Protocols
2. Topics that relates COVID 19 with International Humanitarian Laws (IHL) and Peacebuilding

The information Drive in the SPMS box Communities

2. Community dissemination of Informa and Educational and Campaign (IEC) Materials

3. Works with some BARMM Ministers for Relief Operations

- A relief assistance for the inmates in South Cotabato
- A humanitarian relief to selected TKI members who were displaced by armed conflict

Lessons Learnt

1. Not even a pandemic can end a humanitarian mission
2. Reaching out to individuals, office and institution could lead to a leeway of interventions
3. During crisis time, the most that our organization needs to look into its members who are most vulnerable

Needs and Gaps

1. Restrictions by the COVID 19
2. Recurring Protection Issues, Human Rights violations and Natural Calamities
3. Reach to potential development partners needs to be strengthened
4. Resources generation is limited. We had to compete with INGOs
5. Reconsider possibilities in the new normal
